Dear Partner

We are excited to organize this event in person and allow delegates from all over the world to gather in Marrakech for this very first edition of the African Congress on Digital Pathology, **18-20 April 2025.**

On behalf of the organizing committee, it is with great excitement and privilege that we welcome you to this gathering dedicated to exploring the forefront of Digital Pathology. This congress will bring together a diverse group of pathologists, researchers, technologists, and industry leaders **from Africa and around the world.** Over the course of our event, we aim to delve into the transformative role of digital pathology in diagnostics, research, and patient care. From groundbreaking advancements in AI and machine learning to discussions on regulatory frameworks and real-world applications, the agenda is designed to inspire, inform, and ignite collaboration.

Let us take this opportunity to celebrate the strides we've made and embrace the challenges ahead, united by our shared vision of leveraging technology to **enhance healthcare outcomes.**

*Thank you for being part of this exciting journey.
We look forward to your support and to a meaningful and productive congress with you!*
